

The 9th International Conference on
Machine Learning and Soft Computing

ICMLSC 2025

www.icmlsc.org

Tokyo, Japan
January 24 -26, 2025

The 9th International Conference on Machine Learning and Soft Computing (ICMLSC 2025) will be held on January 24-26, 2025 in Tokyo, Japan. The conference is organized by Chuo University, Japan, co-organized by Keiai University, Japan, and supported by University of Muenster, Germany and Concordia University, Canada. For the past 8 years, ICMLSC went to Singapore in 2024, went virtual in 2021-2023 (due to the impact of COVID-19), and went to Haiphong City, Da Lat, Phu Quoc Island and Ho Chi Minh City in 2017-2020. This conference is highlighted by more and more audiences who joined us. We look forward to your participation and continued engagement at future ICMLSC series.

Organizing Committee

Advisory Chair

Chengzhong Xu, University of Macau, Macau, China

Conference Chair

Takahiko Fujita, Chuo University, Japan

Conference Co-chairs

Naoyuki Ishimura, Chuo University, Japan

Shinfeng D. Lin, National Dong Hwa University, Taiwan

Program Chairs

Sergei Gorlatch, University of Muenster, Germany

Ke-Lin Du, Concordia University, Canada

Program Co-Chairs

DAO Minh-Son, National Institute of Information and Communications Technology, Japan

Alex Mathew, Bethany College, USA

Local Organizing Chair

Naohiro Yoshida, Keiai University, Japan

Local Organizing Committees

Shotaro Yagishita, Chuo University, Japan

Andres Mauricio Molina Barreto, Chuo University, Japan

ICMLSC Awards

Outstanding Contribution Award

Outstanding Organization Award

Best Student Paper Award

Best Oral Presentation Award

Best Poster Presentation Award

Best Reviewer Award

Call for Papers

The ICMLSC 2025 conference topics are the following (but are not limited to):

- Intelligent search
- Automated reasoning and logic programming
- Machine learning
- Intelligent planning
- Neural computing
- Visual/linguistic perception
- Evolutionary and swarm algorithms
- Derivative-free optimization algorithms
- Emotional intelligence
- Hybridization of intelligent models/algorithms
- Parallel and distributed realization of intelligent algorithms/systems
- Applications

Conference Tracks

Track 1: Data Science and Computing

Track 2: Artificial Intelligence and Digital Transformation

Track 3: Intelligent Computing and Application

Track 4: Image Processing and Recognition

Publication

All accepted papers will be included in the ICMLSC conference proceedings, which is indexed by Ei Compendex, Scopus, and several other indexing services.

Important Dates

Submission Deadline: August 30th, 2024

Notification Date: September 30th, 2024

Registration Deadline: October 20th, 2024

Conference Dates: January 24-26, 2025
